You will spend the first night of this extension in the capital Tirana. You will stay in the boutique Hotel Vila Alba, 4\* <http://www.vila-alba.com/> or a similar hotel should this not be available. When the group tour finishes and the group are dropped at the airport, you will carry on into Tirana and be dropped at the hotel. ### Day 2

Leave Tirana and travel to Saranda via Gjirokastra.

After breakfast you will transfer to Saranda with a short en route stop in Gjirokastra.

Gjirokastra, an UNESCO World Heritage Site, is known by many as the "City of Stone" and comprises hundreds of Ottoman-style tower houses with distinctive stone roofs, wooden balconies and whitewashed stone walls. Dominated by the sheer flanks of its vast castle, Gjirokastra is a magical city with a tumultuous past. From feudal stronghold to Ottoman jewel to Italian colony, the city has known

Gjirokastra

many rulers and has inspired poets, authors and artists. A walk around the network of cobbled streets will transport you back in time. A visit to the vast 13th-century castle brings the adventurous tales of medieval rulers and communist atrocities alive.

Saranda is situated on a beautiful horseshoe bay between the mountains and the Ionian Sea. The name Saranda derives from an early Christian monastery dedicated to Agioi Saranta (Forty Saints). Located opposite the Greek island of Corfu, Saranda is one of the most attractive tourist towns on the Albanian Riviera, where honeymooners traditionally spend their holidays.

Saranda

You will stay in Saranda in Hotel Brilant 4 \* <http://www.brilanthotel.com/> or a similar hotel should this not be available. You will again be dropped at the hotel by your driver and recommended a place to eat with many options very nearby.

## Day 3

Breakfast and a visit to Butrint followed by the Ferry to Corfu

After breakfast you will be transferred to the archeological site of Butrint, UNESCO site for a guided tour.

Butrint is a National Park that includes a very well preserved archaeological area, an uncontaminated vegetation area of Mediterranean maquis, and also has a lake that is connected to the Ionian Sea by a natural channel. The excavations and studies have proved that during the VII and VI centuries BC. Butrint was a protourban center. By the V century BC Butrint had the full form of an ancient city.

Butrint

Following a fascinating tour around Butrint you will return to Sarande and take the ferry to Corfu. The transfer to the ferry terminal is included and takes around 5-10 minutes by car. You can leave your bags at the hotel after breakfast and before going to Butrint and pick them up when you get back before carrying on to the ferry terminal and your guide will explain timings.

Corfu never fell under the Ottoman oppression and due to the successive dominations of the Venetians, the French and the British over the centuries, the island has primarily become part of the Western rather the Levantine world. Their culture wielded strong influence in the city. In the beautifully preserved Old Town of

Corfu, a UNESCO world heritage site, Renaissance, Baroque and Classical “repertoire” came to be successfully applied to local artistic traditions.

You will stay in Corfu in Hotel Arion <http://www.arioncorfu.gr/index.php> or a similar hotel should this not be available. The hotel is only a very short 5-10 minute walk away from the ferry terminal. You will be given clear instructions on how to get to it and with heavy luggage a taxi will cost no more than 10 euros to get there from the port.

## Day 4
