Tour participants: John Horton & Annabel Finding (leaders) with 14 Naturetrek clients

Day 1

Monday 19th June

A very keen and chirpy group arrived slightly ahead of schedule, several armed with some serious camera equipment. There was time to head up to Fort Albert to obtain an overview of the island. From here we saw a pair of Shelduck (the only pair on the island) and a migrant Whimbrel.

Day 2

Tuesday 20th June

It was a wonderful sunny start and 25 degrees. Having assessed the weather ahead of the tour and with a view to making the most out of our few days, low winds on our first morning meant we began the day with a bird ringing demonstration at The Nunnery, home of Alderney Bird Observatory. The new bird observatory is set inside the walls of a 1900-year-old roman fort that faces the nearby French coast, just eight miles away. The bird ringing offered the group a rare chance for some close-up encounters with both resident and migrant birds. The ringing included information on the methodology of this research and its ongoing benefits to conservation. We saw Great Tit, Robin, Blackbird and Chiffchaff being ringed. The opportunity was taken to discover what to look out for when trying to separate a Chiffchaff from a Willow Warbler. A tour of The Nunnery followed, with explanations of its amazing history as a fortification from Roman times, through the Napoleonic era to Nazi German occupation; ghosts and all!

The Bird Observatory also operates a moth trap that had been set overnight. David Wedd, an Alderney resident and moth expert, was at hand to take us through over 50 species of moths, some either extremely rare or not found on mainland UK. We saw a Sparrowhawk overhead and in The Nunnery courtyard, a nesting Song Thrush.

Tea and cake followed at the Old Barn where a Buzzard flew overhead, Large White and Speckled Wood butterflies were in the tea garden, and a Reed Warbler was singing from nearby thickets.

Refreshed, we took the minibus up to 'the Odeon', A WW11 comprehensive German lookout (range-finding tower). From here we set off walking down across the Menez-Garrene, a footpath through gorseland, meandering down to Longis Nature Reserve and hide. Around the Odeon we located Wild Thyme, Viper's-bugloss, Pennywort and Common Century. Breeding Meadow Pipits, Linnets and Whitethroats treated us to territorial songs and flight displays. Meadow Brown butterflies were numerous, and we added Honeysuckle to our plants list.

On reaching Longis common, the habitat and its occupants changed and now there were several Small Heath and Red Admiral butterflies. Near to the hide were some Thick-legged Beetles and on the footpath two wonderful Glanville Fritillaries. From the hide itself we all enjoyed the rare site of a breeding pair of Little Grebes with two chicks. Goldfinches and Greenfinches came down into this freshwater pond to bathe amongst flowering Amphibious Bistort with a backdrop of Common Reed and Yellow Flag Iris. Several Common Blue Damselflies hunted over the pond, joined by at least three Emperor Dragonflies. Continuing along the footway back to our vehicle we saw Eye-Bright, and Common Blue butterflies squabbled over Bird's-foot Trefoil.

We picked up lunch from the bakery and had a picnic near to the Napoleonic Target wall. Looking out during lunch across Longis Bay and the tidal causeway towards the Elizabethan Fort Razz, we spotted a Grey Heron in the bay and a single Swift overhead. At the beach edge was Sea Spurge and on the rising open ground behind us good numbers of Pyramidal Orchids.

After lunch we set off on one of our most popular and productive walks - along the north-east coast; Houme Herbe to Mannez lighthouse. From our start point we could see several Curlews, and for good measure a Whimbrel dropped in. In close proximity the appreciative size difference between these often confused species was quite clear, along with the bold crown stripes identifying the Whimbrel. The coastal meadow slopes along this walk always support various butterflies which today included Green-veined White, our first Gatekeeper, Peacock, Small Tortoiseshell, Red Admiral, Small Heath, Meadow Brown, Glanville Fritillary and Common Blue. An interesting find was a day-flying Forester moth. Along the exposed shore on our right were around 30 Oystercatchers. We stopped to watch Gannets rising and then folding their wings and diving for fish from around 50 feet. For the botanists among us, the prize along this stretch was the endemic Alderney Sea Lavender, which Anne was first to spot. Other plants of note included Sea Holly, Bell Heather, Sheep's Bit, Sea Campion, Yellow Horned-poppy and Thrift. Just for good measure we saw no less than three Humming-bird Hawk-moths.

Day 3

Wednesday 21st June

First we gathered on the Braye Hotel balcony overlooking the bay, where we found a Mediterranean Gull. On the nearby 17th century Douglas Quay we watched two Rock Pipits and a White Wagtail.

Then on to St. Anne's Church, a magnificent and impressive structure locally known as the Channel Islands Cathedral. In the churchyard we found Lord's-and-Ladies, Selfheal and Ox-eye Daisies. Heading through to the well-kept and much admired Alderney allotments, behind the church, we found our first Holly Blue butterfly of the trip, and while searching for butterflies and wildflowers were constantly serenaded by a singing male Blackcap. Amongst other species we added Figwort to our plants list.

Lunch was a marvellous picnic at Cambridge battery, part of Fort Tourgis. This Victorian battlement has commanding views out towards Burhou Island. The site is managed by the Alderney Wildlife Trust and is a haven for wildlife, the pick of which today was the rare Hairy Bird's-foot Trefoil, only known from around 100 locations in the British Isles. A fine Painted Lady butterfly showed well. Adjacent to the fort, we walked to The Watermill. Originally constructed in 1202, it retains many of its original features. The watermill is being lovingly restored by a team of island residents, one of whom, Bridgette, treated us to the story of this building.

Our afternoon walk was to Fort Clonque. A raised path looked down over the shoreline to our right, whilst to our left were rising scrub and bracken-covered slopes with rocky outcrops high above. It is a reliable site for Stonechats and we were not disappointed as a splendid male showed very well. A pair of Kestrel patrolled the verges ahead and behind us. This is also a great site for the sort-after Glanville Fritillary and we saw several along the way, also adding Holly Blue on our return. On the rising tide, 14 Curlews gathered below us, and Trevor spotted an unseasonal Lapwing on the shoreline.

A stop at Crabby beach was specifically to sift through the Lesser Black-backed and Herring Gulls for a Yellow-legged Gull. These rare visitors do sometimes occur at this location. To our delight we found one and had good views of it through the telescope. A new species for most!

Hedgehogs were the final call of the day. Heading out about 9pm and led by island resident expert Suzy Wier, we soon located the famous 'blonde' leucistic Hedgehogs, along with the regular brown form. It had been a cracking day with something for everyone.

Day 4

Thursday 22nd June

We started the day with our second bite at the vast variety of moths to be found on Alderney, at David Wedd's private gardens/nature reserve. David had set his moth light trap overnight and entertained us with his endless knowledge. Our moth list was now well over 100 species! A Chaffinch and two Blue Tits dropped in to join us. We also located Mullin and Greater Broomrape.

Mid-morning coffee was taken at Jacks Coffee House on the High Street, from where we saw a Collared Dove. Then it was off again for another walk, this time along the south-facing gorse-covered headland named the Giffione. Here a small resident flock of Jackdaws reside. We also saw several singing Whitethroats as we made our way slowly towards the vantage point, at which we gathered to marvel at the spectacle of around 6,000 Gannets on Les Etacs rocks. Below we found a Raven's nest containing two chicks, and Trevor managed to spot a Sun Fish with its huge fin extending from the water. A rare sight indeed! Walking back we added Stock Dove and Woody Nightshade to our trip lists and saw several more Glanville Fritillaries.

The afternoon was devoted to the boat trips operated by Alderney Wildlife Trust and, for some, the hoped-for highlight of the trip: Puffins! This is the very best time of year to see the Alderney Puffin colony, along with the Gannets and other seabird colonies. A further bonus was a Peregrine sat on Burhou island. Kittiwake and Common Tern were new birds for the trip, and on Les Etacs rock another Yellow-legged Gull was seen.

We ended our day in the hotel's private cinema with a slide show presentation by John on the Wildlife of Alderney.

Day 5

Friday 23rd June

It was our last morning and we saw a Peregrine over Fort Albert before heading down to Arch Bay, a picturesque location overlooked by most visitors. It is a great spot for Sea Holly and this unusual seaside specialist wildflower was easily found. On the beach there were also several Rock Pipits.

Then it was across to the nearby Mannez Nature Reserve; an old stone quarry now home to waves of Lesser Reed Mace. From the hide Reed Warblers churred, and we heard the squeal of a Water Rail. Along the reserve pathway were Enchanters Nightshade and Yellow Barista.

After a hearty lunch at the Old Barn, we walked up Barrackmasters Lane valley. A Sparrowhawk shot across the woodland pathway, along which there seemed to be a Speckled Wood butterfly at every turn. Then it was back to the minibus and all too soon we were due at the airport for the group departure.

There is little doubt for the wildlife all-rounder, that there can be few places in the British Isles to rival Alderney in June.

Species Lists

Plants

Scientific Name	Common Name	Location
LEPTOSPORANGIATE FERNS	TRUE FERNS	
Aspleniaceae	Spleenwort Family	
<i>Asplenium scolopendrium</i>	Hart's-tongue Fern	Mannez Reserve
Dennstaedtiaceae	Bracken Family	
<i>Pteridium aquilinum</i>	Bracken	Essex Hill
DICOTS	DICOTYLEDONS	
Aizoaceae	Dewplant Family	
<i>Carpobrotus edulis</i>	Hottentot-fig	Corbletts
Apiaceae	Carrot Family	
<i>Crambe maritima</i>	Sea-kale	Crabby bay
<i>Crithmum maritimum</i>	Rock Samphire	Arch Bay
<i>Daucus carota</i>	Wild Carrot	Bray Common
<i>Eryngium maritimum</i>	Sea-holly	Arch Bay
<i>Foeniculum vulgare</i>	Fennel	Bray Common
<i>Heracleum sphondylium</i>	Hogweed	Bray Common
Araliaceae	Ivy Family	
<i>Hedera helix</i>	Common Ivy	The Nunnery
Asteraceae	Daisy Family	
<i>Achillea millefolium</i>	Yarrow	Bray Common
<i>Bellis perennis</i>	Daisy	Longis common
<i>Carlina vulgaris</i>	Carline Thistle	Houme herbe
<i>Cirsium vulgare</i>	Spear Thistle	Houme herbe
<i>Hypochoeris radicata</i>	Common Cat's-ear	Houme herbe
<i>Leucanthemum vulgare</i>	Ox-eye Daisy	churchyard
<i>Senecio jacobaea</i>	Common Ragwort	Longis common
<i>Sonchus oleraceus</i>	Smooth Sow-thistle	Mannez Reserve
<i>Taraxacum agg.</i>	Dandelion group	Bray Common
<i>Tripleurospermum inodorum</i>	Scentless Mayweed	Mannez Reserve
Boraginaceae	Borage Family	
<i>Anchusa arvensis</i>	Borage	Longis car park
<i>Echium vulgare</i>	Viper's-bugloss	Fort Albert
Brassicaceae	Cabbage Family	
<i>Lobularia maritima</i>	Sweet Alison	Bray Common
<i>Raphanus raphanistrum ssp. maritimum</i>	Sea Radish	Fort Albert
Campanulaceae	Bellflower Family	
<i>Jasione montana</i>	Sheep's-bit	Giffoine
Caryophyllaceae	Pink Family	
<i>Cerastium fontanum</i>	Common Mouse-ear	Longis common
<i>Silene dioica</i>	Red Campion	Mannez Reserve
<i>Silene latifolia</i>	White Campion	Arch Bay

Scientific Name	Common Name	Location
<i>Silene uniflora</i> (<i>vulgare</i> ssp <i>maritima</i>)	Sea Campion	Houme herbe
Chenopodiaceae	Fat-hen Family	
<i>Beta vulgaris</i> subsp. <i>maritima</i>	Sea Beet	Arch Bay
<i>Chenopodium album</i>	Fat-hen	Bray Common
Convolvulaceae	Bindweed Family	
<i>Calystegia sepium</i>	Hedge Bindweed	roadsides
<i>Calystegia soldanella</i>	Sea Bindweed	Platte saline
Crassulaceae	Stonecrop Family	
<i>Umbilicus rupestris</i>	Navelwort	Cambridge battery
Ericaceae	Heather Family	
<i>Erica cinerea</i>	Bell Heather	Houme herbe
Euphorbiaceae	Spurge Family	
<i>Euphorbia helioscopia</i>	Sun Spurge	allotments
<i>Euphorbia paralias</i>	Sea Spurge	Arch Bay
<i>Euphorbia peplus</i>	Petty Spurge	Tourgis hill
Fabaceae	Pea Family	
<i>Cytisus scoparius</i> subsp. <i>maritimus</i>	Prostrate Broom	Giffoine
<i>Lotus corniculatus</i>	Bird's-foot Trefoil	Longis common
<i>Medicago lupulina</i>	Black Medick	Longis common
<i>Medicago sativa</i>	Lucerne	Houme herbe
<i>Trifolium pratense</i>	Red Clover	Bray Common
<i>Trifolium repens</i>	White Clover	Bray Common
<i>Ulex europaeus</i>	Gorse	Giffoine
<i>Vicia sativa</i>	Common Vetch	Houme herbe
Gentianaceae	Gentian Family	
<i>Centaureum erythraea</i>	Common Centaury	Giffoine
Geraniaceae	Geranium Family	
<i>Geranium robertianum</i>	Herb Robert	Giffoine
Lamiaceae	Dead-nettle Family	
<i>Mentha suaveolens</i>	Round-leaved Mint	Mannez Reserve
<i>Prunella vulgaris</i>	Selfheal	Water Lane
<i>Stachys sylvatica</i>	Hedge Woundwort	allotments
<i>Thymus polytrichus</i>	Wild Thyme	Longis common
Malvaceae	Mallow Family	
<i>Malva sylvestris</i>	Common Mallow	roadsides
Onagraceae	Willowherb Family	
<i>Epilobium montanum</i>	Broad-leaved Willowherb	Mannez Reserve
<i>Oenothera glazioviana</i>	Large-flowered Evening Primrose	Bray Common
Orobanchaceae	Broomrape Family	
<i>Euphrasia</i> sp.	Eyebright sp.	Longis common

Scientific Name	Common Name	Location
<i>Orobanche rapum-genistae</i>	Greater Broomrape	Cambridge battery
Papaveraceae	Poppy Family	
<i>Fumaria muralis</i>	Common Ramping-fumitory	Houme herbe
<i>Glaucium flavum</i>	Yellow Horned-poppy	Cambridge battery
<i>Papaver rhoeas</i>	Common Poppy	Fort Doyle
Plantaginaceae	Plantain Family	
<i>Plantago lanecolata</i>	Ribwort Plantain	Longis common
Plumbaginaceae	Sea-lavender Family	
<i>Armeria maritima</i>	Thrift	Giffoine
Polygonaceae	Knotweed Family	
<i>Persicaria amphibia</i>	Amphibious Bistort	Longis common
<i>Rumex acetosa</i>	Common Sorrel	Houme herbe
Primulaceae	Primrose Family	
<i>Anagallis arvensis</i>	Scarlet Pimpernel	Cambridge battery
Ranunculaceae	Buttercup Family	
<i>Ranunculus repens</i>	Creeping Buttercup	Longis common
Rosaceae	Rose Family	
<i>Potentilla reptans</i>	Creeping Cinqufoil	Giffoine
<i>Rubus fruticosus</i>	Bramble	roadsides
Solanaceae	Potato Family	
<i>Lycium barbarum</i>	Duke of Argyll's Teaplant	Giffoine
Urticaceae	Nettle Family	
<i>Parietaria judaica</i>	Pellitory-of-the-wall	Cambridge battery
<i>Urtica dioica</i>	Stinging Nettle	roadsides
Valerianaceae	Valerian Family	
<i>Centranthus ruber</i>	Red Valerian	The Nunnery
Veronicaceae	Speedwell Family	
<i>Veronica chamaedrys</i>	Germander Speedwell	allotments
MONOCOTS	MONOCOTYLEDONS	
Araceae	Arum Family	
<i>Arum maculatum</i>	Lord's-and-Ladies	allotments
Asparagaceae	Asparagus Family	
<i>Hyacinthoides hispanica</i>	'Spanish' Bluebell	allotments
Iridaceae	Iris Family	
<i>Iris foetidissima</i>	Stinking Iris	Longis common
Orchidaceae	Orchid Family	
<i>Anacamptis pyramidalis</i>	Pyramidal Orchid	Houme herbe

Scientific Name	Common Name	Location
Poaceae	Grass Family	
<i>Phragmites australis</i>	Common Reed	Longis pond
	Other species	
	Purple Broomrape	Cambridge battery
	Lady's Bedstraw	Fort Albert
	Bush Vetch	Whitegates
	Common Dog Violet	Houme herbe
	Alderney Sea Lavender	Houme herbe
	Yellow Flag Iris	Longis pond
	Figwort	allotments
	Hairy Bird's-foot Trefoil	Cambridge battery
	Hop Trefoil	Bray Common
	Woody Nightshade	Giffoine
	Enchanters Nightshade	Mannez Reserve
	Elderflower	Essex Hill

Birds (✓=recorded but not counted; H = heard only)

	Common name	Scientific name	June				
			19	20	21	22	23
1	Mallard	<i>Anas platyrhynchos</i>		10	8	P	4
2	Common Shelduck	<i>Tadorna tadorna</i>	2				
3	Common Pheasant	<i>Phasianus colchicus</i>		3	H	2	H
4	Northern Fulmar	<i>Fulmarus glacialis</i>				20	
5	Northern Gannet	<i>Morus bassanus</i>		P	P	P	P
6	Great Cormorant	<i>Phalacrocorax carbo</i>		2		6	1
7	European Shag	<i>Phalacrocorax aristotelis</i>		5	P	30	P
8	Grey Heron	<i>Ardea cinerea</i>		1			
9	Little Grebe	<i>Tachybaptus ruficollis</i>		4			
10	Eurasian Sparrowhawk	<i>Accipiter nisus</i>		1		1	
11	Common Buzzard	<i>Buteo buteo</i>		1	1	1	2
12	Water Rail	<i>Rallus aquaticus</i>					H
13	Common Moorhen	<i>Gallinula chloropus</i>		1			
14	Eurasian Coot	<i>Fulica atra</i>		6			
15	Eurasian Oystercatcher	<i>Haematopus ostralegus</i>		50	P	P	P
16	Northern Lapwing	<i>Vanellus vanellus</i>			1		
17	Common Ringed Plover	<i>Charadrius hiaticula</i>			2		
18	Whimbrel	<i>Numenius phaeopus</i>		2	1	3	1
19	Eurasian Curlew	<i>Numenius arquata</i>		6	14		2
20	Atlantic Puffin	<i>Fratercula cirrhata</i>				200	
21	Razorbill	<i>Alca torda</i>				20	
22	Common Guillemot	<i>Uria aalge</i>				50	
23	Common Tern	<i>Sterna hirundo</i>				1	50
24	Black-headed Gull	<i>Chroicocephalus ridibundus</i>		2	3	2	4
25	Mediterranean Gull	<i>Ichthyaetus melanocephalus</i>			1		
26	Black-legged Kittiwake	<i>Rissa tridactyla</i>				1	
27	Yellow-legged Gull	<i>Larus michahellis</i>			1	1	
28	Lesser Black-backed Gull	<i>Larus fuscus</i>		P	P	P	P
29	European Herring Gull	<i>Larus argentatus</i>		P	P	P	P
30	Great Black-backed Gull	<i>Larus marinus</i>		P	P	P	P
31	Rock/Feral Dove	<i>Columba livia</i>				12	

	Common name	Scientific name	June				
			19	20	21	22	23
32	Stock Dove	<i>Columba oenas</i>			2	7	
33	Common Wood Pigeon	<i>Columba palumbus</i>		P	P	P	P
34	Collared Dove	<i>Streptopelia decaocto</i>				1	
35	Common Swift	<i>Apus apus</i>		5	2		1
36	Common Kestrel	<i>Falco tinnunculus</i>		2	2	1	1
37	Peregrine Falcon	<i>Falco peregrinus</i>				1	1
38	Western Jackdaw	<i>Coloeus monedula</i>				12	
39	Carrion Crow	<i>Corvus corone</i>		P	P	P	P
40	Northern Raven	<i>Emberiza schoeniclus</i>		3		6	
41	Eurasian Blue Tit	<i>Cyanistes caeruleus</i>				1	1
42	Great Tit	<i>Parus major</i>		2	6	2	4
43	Eurasian Skylark	<i>Alauda arvensis</i>				2	
44	Barn Swallow	<i>Hirundo rustica</i>		P	P	P	P
45	Common House Martin	<i>Delichon urbicum</i>		2			1
46	Common Chiffchaff	<i>Phylloscopus collybita</i>		2	1	H	1
47	Eurasian Blackcap	<i>Sylvia atricapilla</i>		H	H	1	H
48	Common Whitethroat	<i>Sylvia communis</i>			1	4	2
49	Eurasian Reed Warbler	<i>Acrocephalus scirpaceus</i>		2			4
50	Eurasian Wren	<i>Troglodytes troglodytes</i>		P	P	P	P
51	Common Starling	<i>Sturnus vulgaris</i>		1	1		1
52	Common Blackbird	<i>Turdus merula</i>		P	P	P	P
53	Song Thrush	<i>Turdus philomelos</i>		1		1	1
54	European Robin	<i>Erithacus rubecula</i>		2	1	H	2
55	European Stonechat	<i>Saxicola rubicola</i>			3	2	
56	House Sparrow	<i>Passer domesticus</i>			1	2	
57	Dunnock	<i>Prunella modularis</i>		1	1	2	1
58	White Wagtail	<i>Motacilla alba</i>		2		6	2
59	Meadow Pipit	<i>Anthus pratensis</i>		P	P	P	P
60	Eurasian Rock Pipit	<i>Anthus petrosus</i>	1	1	2	2	6
61	Common Chaffinch	<i>Fringilla coelebs</i>		H	1	3	
62	European Greenfinch	<i>Chloris chloris</i>		5		H	2
63	Common Linnet	<i>Linaria cannabina</i>		6	2	2	4
64	European Goldfinch	<i>Carduelis carduelis</i>		10	1	2	2

Mammals

1	Western Hedgehog	<i>Erinaceus europaeus</i>			4		
2	European Rabbit	<i>Oryctolagus cuniculus</i>		1		4	

Butterflies

1	Large White	<i>Pieris brassicae</i>		10	P	P	
2	Small White	<i>Pieris rapae</i>			2		
3	Green-veined White	<i>Pieris napi</i>		5	P		
4	Holly Blue	<i>Celastrinas argiolus</i>			3	P	
5	Common Blue	<i>Polyommatus icarus</i>		2	1		
6	Peacock	<i>Inachis io</i>		3	11	2	2
7	Red Admiral	<i>Vanessa atalanta</i>	2	15	25	P	P
8	Painted Lady	<i>Cynthia cardui</i>			2		
9	Small Tortoiseshell	<i>Aglais urticae</i>		1	3		
10	Meadow Brown	<i>Maniola jurtina</i>	P	100	P	P	P
11	Gatekeeper	<i>Pyronia tithonus</i>		1			

	Common name	Scientific name	June				
			19	20	21	22	23
12	Speckled Wood	<i>Pararge aegeria</i>		2	2		
13	Small Heath	<i>Coenonympha pamphilus</i>		10			
14	Wall Brown	<i>Lasiommata megera</i>		1			
15	Glanville Fritillary	<i>Melitaea cinxia</i>		3	5	4	

Moths

1	a micro moth	<i>Evergestis extimalis</i>			1		
2	Angle Shades	<i>Phlogophora meticulosa</i>				1	
3	Barred Straw	<i>Eulithis pyraliata</i>				2	
4	Barrett's Marbled Coronet	<i>Hadena compta</i>			1		
5	Bee Moth	<i>Aphomia sociella</i>				1	
6	Bright-line Brown-eye	<i>Lacanobia oleracea</i>			2	3	
7	Brimstone Moth	<i>Opisthograptis luteolata</i>			1	1	
8	Broad-bordered Yellow Underwing	<i>Noctua fimbriata</i>				1	
9	Broken-barred Carpet	<i>Electrophaes corylata</i>				1	
10	Brown Rustic	<i>Rusina furruginea</i>			2		
11	Brown Tail	<i>Euproctis chryssorrhoea</i>			5		
12	Buff Arches	<i>Habrosyne pyritoides</i>			2		
13	Buff Ermine	<i>Spilarctia luteum</i>			6	3	
14	Buff Footman	<i>Katha depressa</i>			4	2	
15	Channel Islands Pug	<i>Eupithecia ultimaria</i>				1	
16	Chinese Character	<i>Cilix glaucata</i>			6	2	
17	Cinnabar	<i>Tyria jacobaeae</i>		1			
18	Clancys Rustic	<i>Caradrina kadenii</i>			1		
19	Clay	<i>Mythimna ferrago</i>			3

22	Common Carpet	<i>Epirrhoe alternata</i>			3	1	
23	Common Emerald	<i>Hemithea aestivaria</i>			1	1	
24	Common Footman	<i>Manulea lurideola</i>			1		
25	Common House Moth	<i>Hofmannophila pseudospretella</i>			1		
26	Common Pug	<i>Eupithecia vulgata</i>			2		
27	Common Wainscot	<i>Mythimna pallens</i>			6	4	
28	Cream-spot Tiger	<i>Epicallia villica</i>				2	
29	Crescent Dart	<i>Agrotis trux lunigera</i>			8		
30	Cypress Pug	<i>Eupithecia phoeniceata</i>			3		
31	Dark Marbled Carpet	<i>Dysstroma citrata</i>			1		
32	Dark Swordgrass	<i>Agrotis ipsilon</i>			2	1	
33	Diamondback	<i>Plutella xylostella</i>			10		
34	Drinker	<i>Euthrix potatoria</i>			4	1	
35	Early Grey	<i>Xylocampa areola</i>			2	1	
36	Early Thorn	<i>Selenia dentaria</i>				1	
37	Engrailed Clay	<i>Diarsia mendica</i>			1		
38	Five-spot Burnet	<i>Zygaena trifolii</i>		1			
39	Flame	<i>Axylia putris</i>			1		
40	Flame Carpet	<i>Xanthorhoe designata</i>				1	
41	Flame-shoulder	<i>Ochropleura plecta</i>			4	6	
42	Forester Moth	<i>Adscita statices</i>				1	
43	Galium Carpet	<i>Epirrhoe galiata</i>			2		
44	Garden Carpet	<i>Xanthorhoe fluctuata</i>			1		
45	Garden Pebble	<i>Pionea forficalis</i>			1		

	Common name	Scientific name	June				
			19	20	21	22	23
46	Grey Arches	<i>Polia Nebulosa</i>			2		
47	Heart and Club	<i>Agrotis clavis</i>			10	2	
48	Heart and Dart	<i>Agrotis eclamationis</i>			4	4	
49	Hoary Footman	<i>Eilema caniola</i>			3		
50	Humming-bird Hawk-moth	<i>Macroglossum stellatarum</i>			5		1
51	Kent Black Arches	<i>Meganola albula</i>			1	1	
52	Knot Grass	<i>Acronicta rumicis</i>			2		
53	Lacky	<i>Malacosoma neustria</i>			2		
54	L-album Wainscot	<i>Mythimna l-album</i>			2	1	
55	Lappet	<i>Gastropacha quercifolia</i>			4		
56	Large Yellow Underwing	<i>Noctua pronuba</i>			8	4	
57	Lattice Heath	<i>Chisasmia clathrata</i>			1		
58	Leaf Minor	<i>Cameraria ohridella</i>				1	
59	Lesser Yellow Underwing	<i>Noctua comes</i>			3		
60	Light Brown Apple Moth	<i>Epiphyas postvittana</i>			1		
61	Light Emerald	<i>Campaea margaritata</i>			1	1	
62	Limespeck Pug	<i>Eupithecia centaureata</i>				1	
63	Maple Prominent	<i>Ptilodon cucullina</i>				1	
64	Marbled Carpet	<i>Dysstroma truncata</i>			2		
65	Marbled Minor	<i>Oligia strigilis</i>			5		
66	Marbled White Spot	<i>Protodeltote pygarga</i>			1		
67	May Highflyer	<i>Hydriomena impluvaita</i>			2	1
